

Nano Ionic Magnesium

- *The human body cannot function normally without magnesium.*
- *Sometimes when mysterious health symptoms arise it can be time to ask, “Am I magnesium deficient?”*
- *Magnesium is essential for proper heartbeat and nerve transmission.*
- *Magnesium is more important than calcium, potassium or sodium as it is required to regulate them.*
- *Some 350 different enzymes within the body rely on magnesium.*
- *Nano particle ionic form of magnesium goes intracellular which can eliminate many worries about magnesium levels being low due to poor absorption.*
